APPLICATION FOR CERTIFICATION OF SWEET POTATO SEED, PLANTS AND TABLE STOCK

Name _____ Date _____
Address _____ County _____

Email _____ Phone No. _____

In order to produce certified Sweet Potato Products each Sweet Potato Producer must apply for certification with this department. This certification will be in accordance with provisions of Chapter 80-10-2, Code of Alabama (1975).

In order to be properly certified, please complete this form with your name, address, telephone number, and email address if you have an email address. Please attach along with this application your check or money order, for the \$100 certification fee and \$5.00 per acre inspection fee. And mail this to

Plant Protection Section Room #207
Alabama Department of Agriculture & Industries
1445 Federal Drive
Montgomery, Alabama 36107-1123

Your check or money order should be made payable to Alabama Department of Agriculture.

Please note that storage, plant bed, and field inspections, which are necessary to complete the certification process, will not be conducted unless we receive your completed invoice and certification fees.

Please list below the sweet potato varieties you are requesting certification for:

1. _____ 2. _____ 3. _____
4. _____ 5. _____ 6. _____
7. _____ 8. _____ 9. _____
